ADDITIONAL FIRE RESTRICTIONS ANNOUNCED

Salt Lake City – Due to extreme fire danger federal and state fire management officials have announced additional fire restrictions to take effect at 12:01 a.m. on Monday, July 31, 2006. The restrictions will apply to all federal, state and private lands west of Interstate-15. Previously announced fire restrictions continue to apply to all of Washington County. Fire restrictions remain in effect until rescinded.

The following acts are prohibited on the above-mentioned lands:

1. Setting, building, maintaining, attending, or using open fire of any kind, except campfires within approved fire pits and grills provided for, in improved campgrounds, picnic areas, and permanently improved places of habitation, or except as otherwise authorized. Devices fueled by petroleum or liquid propane gas (LPG) products are allowed in all locations.
2. Smoking, except within an enclosed vehicle, camp trailer, or building, a developed recreation site, or while stopped in an area at least three feet in diameter that is barren or cleared to mineral soil.
3. Discharging, or using any kind of fireworks, tracer ammunition, or other incendiary devices in any location on federal, state, and unincorporated private lands. (Note that these acts are always prohibited on Federal Lands.)

All other fire restrictions, or necessary exemptions to the restrictions, will be handled through local “permits” issued by the responsible agency for that purpose. The order does not affect incorporated towns and cities. Previously issued fire restrictions onf Bureau of Land Management lands are rescinded and superseded by this order.

For more information on fire restrictions go to utahfireinfo.gov.
